Beachside Holiday Park

lies directly on the dunes of the famous Brean Sands in Somerset.

A Family Park owned and managed by the James Family since 1986. Located within easy walking distance to the centre of the resort. The perfect location for all the family, whether you just want to relax by the sea, or fill your break with the thrills and excitement of one of the top family holiday destinations in the South West.

Beachside is located on sand dunes which run parallel with the coast, following the direction of the shoreline between Burnham-on-Sea and Brean Down.

The dunes have been created by wind action over many centuries and are now an important natural feature protecting the low lying Somerset Levels and Moors.

The park is built directly over raised, undulating sand dunes. Some of the accommodation offered has unspoilt panoramic views either facing inland or across Bridgwater Bay, whilst other accommodation is in a lower lying area of the park, once again created by nature over the years. The Glen as it is affectionately known is ideal for families with children as there are no cars, just plenty of grass to play on. The caravans in this area also have decking, which makes it ideal to sit outside and watch your children play.

Brean Sands Resort

Nestled between the famous seaside resorts of Burnham-on-Sea and Weston-super-Mare on the North Somerset coast. The resort runs alongside the golden sandy beach up to the National Trust headland of Brean Down. Offering facilities and attractions that make this one of the South West's leading family holiday destinations.
